

Report

Felicitation Programme held on 9th September, 2023

A programme to felicitate meritorious students of the academic year 2022-23 was held on 9th September, 2023 from 10:30 am onwards in the seminar hall of the college. Dr. Rajashree Mordekar, Assistant Professor in chemistry welcomed the gathering. Ms. Mrunali welcomed the guest by singing a welcome song. This was followed by a formal welcome address by the principal Prof (Dr.) Purnakala Samant. The chief guest for the function was Justice Ambadas Joshi, Goa Lokayukta and retired Bombay High Court judge and the guest of honour was Shri Dasharath Parab, Chairman, Institute of Menezes Braganza, Panaji Goa. Ms. Anita Raikar, Associate Professor in Computer Science introduced the chief guest to the audience. This was followed by giving potted plants to the guests to welcome them. It was then followed by the lighting of the lamp by the dignitaries.

Dr. Asha Gahloth, PTA Coordinator address the gathering and welcomed the guests, teachers, students and their parents. It was then followed by Mr. Dasharath Parab. addressing the gathering and highlighted the significance of students' role in making a college proud. He also spoke on the importance of Marcela town.

The felicitation function started by felicitation of meritorious students from science stream, followed by arts and then commerce. This was followed by the address of chief guest to the gathering, where he shared his various experience with students. He highlighted upon developing certain qualities in a person such as reading, being in a good company, not being judgmental etc.

After the speech of the chief guest, principal Prof (Dr.) Purnakala Samant presented a memento to the chief guest and the guest of honour as a token of appreciation. Shri Sushant Redkar proposed a vote of thanks and congratulated all the meritorious students for their achievement. The PTA of the college presented wall clocks to the students.

Dr. Asha Gahloth

PTA Coordinator
